WEDDINGS

PETERSEN — COLLINGS

Rev. O. R. Lavers of Trochu officiated at a double-ring ceremony in Acme United Church on Wednesday, August 12, when Edith Milcent, youngest daughter of Mr. and Mrs. Tom Collings of Acme, was united in marriage with William John Petersen, only son of Mr. and Mrs. John Petersen of Strathmore.

Given in marriage by her father, the bride was lovely in an ankle-length gown of white lace over satin princess style, a waist-length veil with coronet of mother of pearl and carried a bouquet of red roses.

The bridesmaids were Miss Marilyn Petersen, sister of the groom, who wore an ankle-length dress of blue net over satin and carried a bouquet of salmon carnations. Miss Greta Kershaw, cousin of the bride, attended in a pink ankle-length dress of net over satin with brocade bolero, and also carried a bouquet of yellow carnations with huddress to match.

Groomsmen were Mr. Marvin Irvine of Calgary and Mr. Frank Collings, brother of the bride. Mr. James Collings, brother of the bride, acted as usher.

The buffet reception, which was held in the Acme Memorial Lodge immediately following the ceremony, was attended by 126 guests.

Coffee was poured by the mothers of the bride and groom. The bridal table was centred with a lovely three-tiered wedding cake.

Toast to the bride was by Mr. Frank Jackson, uncle of the bride, and ably responded to by the groom. Ladies of the W.A. of the United Church were responsible for the wonderful banquet, assisting in serving were many friends of the bride.

For going away the bride chose a grey dress and pink shortie coat with white accessories and a corsage of yellow sweetheart roses.

Following the honeymoon the happy couple will reside in Strathmore.

Out-of-town guests were from Strathmore, Calgary, Hartmann, Didsbury, Sunnyslope and Westdale.

Zella W.I. Holds August Meeting

Thirteen members and one visitor met at the home of Mrs. E. Waldruff on Thursday for the August meeting of the Zella W.I.

Roll call was magazines or books and a box of these will be sent to the Colonel Belcher hospital.

Two Red Cross quilts were turned in, along with a knitted baby set.

Mrs. A. Waldruff chose "Rosehaven," a home for the mentally aged at Camrose, as her citizenship topic.

The "bit of fun" was a reading "Mama Spinks Me" by Mrs. W. Jahnke. Mrs. Joe White and Mrs. C. Gibles received secret sister gifts. Mrs. H. Christensen presented the institute with a cash box.

The next meeting will be at the home of Mrs. Dick Nelson on Thursday, September 17.

MOUNTAIN VIEW

(From Our Own Correspondent)

Mrs. Grenville McCaig and Mr. and Mrs. Mac Fraser spent Sunday visiting in Calgary with relatives.

Mr. Harold Wolens and his mother, and Mr. and Mrs. Andrew Hansen, all of Calgary, and Norman Archer and Florence Artman were dinner guests Sunday with Mr. and Mrs. Arthur Gebers.

Sunday afternoon visitors at the Gebers home were Mrs. Dan Morasch, the Devolin boy and Bernard Fuikerth.

Mr. and Mrs. Garnet Tighe and Mr. and Mrs. Allan Leith and family were visitors with Mr. and Mrs. Noel Dunmott of Bonnyville over the weekend.

Mr. and Mrs. Allan Leith and family of Vancouver, visiting the latter's parents, Mr. and Mrs. Garnet Tighe.

Mr. and Mrs. T. J. Hunter and Loretta were Sunday visitors with Mr. and Mrs. Stewart Tighe, Billy and Gary, and their daughter Arlene returned home with them after spending two weeks here.

Mr. and Mrs. E. Fobes and family of Calgary visited Sunday evening with Mr. and Mrs. Dwayne Fobes and family.

Mrs. Trenholm and Claude visited Monday evening with Mr. and Mrs. J. Worrall.

Mr. and Mrs. John McNaughton and Margaret and Mrs. McNaughton Sr. visited Sunday evening with Mr. and Mrs. Bob MacFarlane.

Best wishes are extended to the newlyweds, Mr. and Mrs. Stan Schumaker (Jessie McCulloch), who were married on August 21.

W.I. members are asked to keep in mind the regular meeting at the home of Mrs. Dave Pratt on Thursday, August 27.

Mr. and Mrs. Ray Faught, Mavis Taylor and Bill Williams, of Olathe, visited at the B. A. Atkinson home on Sunday.

Miss June Sherick was a Sunday dinner guest of Kay Atkinson.

Mr. and Mrs. Gerald Archer were Calgary visitors on Sunday.

Large Crowds Attend Annual Lions Sports Day

Blessed with fine weather and a good crowd, the Lions Club annual Jamboree last Wednesday proved a success in practically every department.

Starting off in the morning with a street parade, headed by the Beisker Lions Club band, the entertainment continued with ball games, children's races, a tractor competition for the farmers, and ended up with a mammoth bingo game in the arena in the evening.

Due to the theatre ban on children under 16 years of age, the plan to hold a free show had to be abandoned.

Fee was baseball brought Olds and Didsbury together, with the visitors taking the long end of a 7-5 count. The exhibition game between Westerdale and Didsbury resulted in a 5-4 win for the local nine. Carstairs and Calgary Mercury drew the largest crowd of the day and the final tally was 7-5 in favor of Carstairs.

Operation Tractor drew a record number of entries and it took quite some time to run through the many eager contestants. When points were finally totalled up the winners were:

Best decorated tricycle: 1. Kay and Glenda McDougall; 2. Mary Lee and Betty Lou McCoy; 3. Linda and Carl Snyder.

Best pet: 1. Denis Inglis; 2. Dale Hughes; 3. Wendy Law.

Best dressed: 1. Dorothy Hall and Diane McCoy; 2. Edna Allen; 3. Charlotte Clayton.

Floors: 1. J. V. Benich & Sons; 2. Walther League; 3. Bill Cowan.

Cars: I.O.D.E.; 2. Bill Cowan.

Horses: 1. Delbert Fuikerth; 2. Reta Parkin; 3. Oale Rottwell.

1. Bill Bogner; 2. Reg Ness; 3. Ken Burns.

The flower and vegetable show attracted a good number of entries and the results of the judging appear elsewhere in this issue. The children's races were well contested but unfortunately we have not got the names of winners.

Winner of the \$100 cash prize in the special bingo game held in the arena in the evening, was Mrs. Dave Jenkins of Didsbury.

Winners in the parade included: Best decorated bicycle: 1. Maureen Prevost; 2. Katherine Clayton; 3. Judy Allen.

Best decorated tricycle: 1. Kay and Glenda McDougall; 2. Mary Lee and Betty Lou McCoy; 3. Linda and Carl Snyder.

Best pet: 1. Denis Inglis; 2. Dale Hughes; 3. Wendy Law.

Money Waiting
Pool Customers

The Alberta Wheat Pool has \$300,000 in cash belonging to members who cannot be located. That sum is the remnant of a total of \$8,500,000 contributed by the original Pool members in the 1923-28 period to build elevators and to provide the organization with working capital.

Some years ago the annual Pool convention started a program to repay the \$8.5 million. Most of that money has already been paid out. There are quite a few members yet, however, who cannot be located. In an effort to find the addresses of these people the Alberta Wheat Pool has been advertising in a number of weekly newspapers and the program has had some surprising results.

One member who had moved from the Peace River district many years ago got a letter from the pool who saw his name on the list advertised by the Pool. He went to the head office in Calgary and got a cheque for \$470.

A man who formerly farmed in the Vulcan district, but who now lives in Calgary, had a similar experience. Badly crippled with rheumatism he came down to the Pool head office and got the surprise of his life when he received a cheque for \$388.

A farmer who formerly lived at Chin, now residing at Spokane, discovered that \$685 was coming to him.

Of course, these are exceptional instances; payments in the majority of cases run from \$10 to \$250. But the Pool is anxious to dispose of this trust money and would appreciate the help of anyone who can assist in locating people who are entitled to such payments.

NOTICE TO CREDITORS
AND CLAIMANTS

In the Estate of ABNER HUNSPERGER, late of the Town of Didsbury, in the Province of Alberta, Retired Farmer, Deceased.

NOTICE IS HEREBY GIVEN that all persons having claims upon the estate of the above named ABNER HUNSPERGER, who died on the 5th day of June, A.D. 1953, are required to file with the undersigned Solicitor for the Executors, by the 1st day of October, A.D. 1953, a full statement duly verified of their claims and of any securities held by them, and that after that date the Executors will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed or which have been brought to their knowledge.

DATED this 14th day of August, A.D. 1953.

H. LYNCH-STANTON,
Didsbury, Alberta,
Solicitor for the Executors.

ICAO Trains Ethiopians

YOUNG ETHIOPIANS are being trained by the International Civil Aviation Organization (ICAO) to man Ethiopia's airlines. Muller Nielsen, Danish member of an ICAO aircraft maintenance team, supervises a student in a workshop school in Addis Ababa. Other ICAO teams train newcomers as radio operators and weathermen.

PANIC DOES NOT HELP

The polio epidemic in Alberta has begun to take on alarming proportions. The incident of mortality from it has not been unusually high, but the special facilities for treatment set up by the provincial authorities have already become overloaded, so that each community is now called upon to take care of its own patients.

There have been more than 800 reported cases in Manitoba with a very low death incidence, but with a fairly high degree of paralysis. British Columbia, with a much lower ratio of reported cases, has suffered a much higher death rate. Alberta comes between the two. Medical science is still pretty much in the dark as to the cause, the method of infection and the therapy in treating the cases. They know the effect, which apart from the paralysis, is much similar to typhoid.

Thus it is that such emphasis is being placed upon sanitary conditions. Although cases have, in some instances, occurred in a fairly small area, medical authorities are unable to put their finger on the cause or source of infection.

The best therapeutic caution known is to guard the general health of the children... good wholesome food, plenty of sleep, no over-exhaustion or undue exposure to chill, and any rapid rise in temperature should be reported at once to your family doctor.

to
nothing

WE WONDER how much finer you can get than the aluminum wire used in delicate apparatus which records the earth's tremors. Drawn out almost to the vanishing point, it is about one-twelfth the diameter of a human hair. One pound of aluminum would make enough of this unbelievably fine wire to stretch 20,000 miles! We know no more striking example of the way people make use of the lightness and strength of aluminum for all sorts of jobs. Our research and technical men are constantly tackling new questions brought to them by Canadian manufacturers who look to aluminum in developing new products, or better products, or products that cost less. Aluminum Company of Canada, Ltd. (Akan).

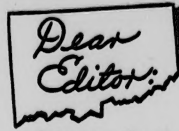

DON'T LET THE WHEAT
SURPLUS WORRY YOU

Our blood pressure builds up every time we read where some economist or market authority waxes pessimistic over the actual or potential surplus of wheat. Next to gold itself, wheat is perhaps the most stable currency the world has known.

There is a drive on right now to depress wheat prices. The British government is an unhappy party to this subtle activity, for which it should be most ardently shamed in the eyes of the people.

Be that as it may, Canada can afford to store a few million bushels of wheat in these years of plenty. It lends a feeling of security to the nation.

—Camrose Canadian

... the letters start. Then from all over the free world come such comments as these from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is most reading for straight-thinking people."

"I returned to school after a lapse of 18 years. I will get my degree from the college, but my education comes from the Monitor."

"The Monitor gives me ideas for my work."

"I truly enjoy its company."

You, too, will find the Monitor informative, with complete world news. You will discover a constructive viewpoint in every news story.

PREVENTING CRACKS
IN NEW FLOORS

A good floor is attractive to look at, easy to keep clean, comfortable to walk on and an important part of the decorative scheme of the house interior. On the other hand a floor that has cracks is unsightly, a dust catcher and a source of annoyance.

Once cracks develop there is little that can be done about them. Prevention is the only cure. Cracks are caused by the changes in the moisture content of the wood.

Boards swell as they absorb moisture and shrink as they dry. This may be the result of improper seasoning at the mill, improper storage at the lumber yard or delivery and storage at the site during wet weather. The moisture from plaster walls will affect the floor even after it is laid, so be sure the walls are dry before the flooring is delivered.

Keeping the humidity down and the floor dry, even with a little heat in the summer time, will prolong the life of your floor.

Unclaimed Wheat Pool Reserves

The Alberta Wheat Pool is anxious to contact the following members who have money owing them following the purchase of all 1923-28 Alberta Wheat Pool reserves. It would be appreciated if anyone knowing the whereabouts of any of these members would inform a Pool agent or write to the Alberta Wheat Pool, Lougheed Building, Calgary.

AT A CORNER
ON MAIN STREET

A community springs up and, as it grows, a branch bank opens its doors.

This pattern, basic in Canada's development, has been repeated again and again in pioneer areas, villages, towns and cities. Through local branches, the chartered banks bring to small communities, as well as large, the same broad range of banking service.

There are now 3,800 branches of Canada's chartered banks serving the banking needs of Canadians, 700 opened in the past ten years.

THE YEARS OF APPRENTICESHIP

There is no easy way of becoming skilled in any job. All trades have to be learned slowly and patiently, and with a self restraint that can make all the difference between a first class and incompetent craftsman. As many young folk know, the period of apprenticeship is never wholly interesting. The same familiar ground has to be covered, the same dull, monotonous duties have to be performed.

It is at such moments that the young apprentice grows restless in his desire to forge ahead and be allowed to undertake more important work. It is a natural desire, as natural as the child who makes the mistake of wanting to run before he can walk.

But the man who covers the most ground in the shortest time is not the wisest man. He misses much in his haste, and when he meets obstacles he doesn't have the experience or strength to surmount them.

Anyone who makes that mistake can never make much of the trade of living.

Life is a trade and you can only become expert in the art of living by serving your time and learning your job thoroughly. It is not a job that you can learn quickly.

It takes years of training, and the man best able to meet all its demands is the man with experience of all conditions.

Life is easy when all goes well; when the wheels turn rhythmically. It's like sweet music to the ear. Heavy demands come when things go wrong. The inexperienced grow flustered and panicky, unable to see a way out of their difficulties.

Experience and wisdom are the tools a man needs in order to be on good terms with life.

They are forged during the years of apprenticeship—the years that lay the foundation to success and happiness in the days that lie ahead.

Gov't. Issues

Polio Directive

In accordance with the directive from the provincial board of health, all children of 18 years and under must be excluded from their swimming pools until further notice. This is for the purpose of controlling poliomyelitis. The following recommendations will also be of help in controlling this disease:

1. The tired child is much more liable to actual paralysis. Avoid fatigue.
2. Polio is a communicable disease. Avoid crowds.
3. Swimming should be avoided because of chilling, fatigue and possible contamination of the water.
4. Avoid contamination by careful personal hygiene, including washing of hands before meals and after using the toilet.
5. High standards of dishwashing, washing of fruit and vegetables, and protection of food against flies should be maintained.
6. Keep garbage and waste material covered to avoid attracting flies.
7. Control of sewage should be maintained. Flies in out-door toilets can be controlled by chloride of lime, D.D.T. or ashes, and by proper screening.
8. Where the disease is prevalent locally, operations for the removal of adenoids and tonsils should also be postponed if possible.
9. Early care will often prevent or limit crippling.
10. Generally speaking mild cases are best cared for at home.

CHRISTIAN SCIENCE

In Christian Science churches on Sunday "Christ Jesus" is the subject of the Lesson-Sermon, and humble gratitude will be expressed for the advent of the Way-shower. The Golden Text is from 1st John (4:14): "We have seen and do testify that the Father sent the Son to be the Saviour of the world." From the Bible is this passage: "And lo a voice from heaven, saying: This is my beloved Son, whom I am well pleased." (Matt. 3:17). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus spiritual origin and his demonstration of divine principle richly endowed him and entitled him to sonship in Science." (312:31-1).

Agricultural SERVICE BOARD NOTES

W.K. Snyder, Field Supervisor

Soil Sterilants for Weed Control: Many of the soil sterilants give better results when applied in the fall of the year. While they will control all weeds, they are rather expensive to use. They should not be applied to weeds that can be controlled by cultivation or by other chemicals such as 2,4-D.

Toad flax is one weed that cannot be controlled effectively by 2,4-D and is costly to control by cultural means. In harvesting fields this fall be on the watch for small patches of toad flax. It is advisable to treat these small patches while binding or swath. A small amount of sodium chlorate can be easily carried on the tractor and it takes only a minute to apply 5 or 6 pounds of the dry powder per 100 square feet.

This will sterilize the soil and leave a permanent mark which can be checked next year. If sodium chlorate is used, it should be in a tight container so as to eliminate the fire danger of carrying it on a hot tractor.

"Spot treatment" is the key to effective and economical use of soil sterilants. They can stop a weed in its tracks before it has a chance to spread from a small infestation. Or they can finish the job begun by cultural means without subjecting the soil to those extra cultivations which might otherwise be necessary.

"Things are rather desperate," Spinner Selly sighed.
"But not entirely hopeless, There still is classified!"

Make a Double Date with a Rocket 8!

Illustration—Classic '53 Oldsmobile Coupe

OLDSMOBILE

A GENERAL MOTORS VALUE

IT TAKES A MAN...
There's so much sex, that we want you both to make a date with a "Rocket" 8! For instance, it takes a man to fully appreciate what goes on, so silently, under the long, sleek hood. The famous "Rocket" engine, packed as it is, with more high-compression horsepower than ever before, holds a special appeal for the masculine mind. And there's an exhilarating experience too man should miss in the roaring response of Dual Range Hydra-Matic Drive.

IT TAKES A WOMAN...
But surprise! Oldsmobile's mighty power is hand-silk, glove-with, docile obedience when a woman takes the wheel. And it really takes a woman to appreciate how Oldsmobile Power Steering can put a driver at her ease—how Pedal-Ease Power Brakes take over and reduce braking effort by as much as 40%! And the beauty, that a woman wants most of all, is everywhere. So come in now—come in together, for your Date with a "Rocket" 8!

There's More For You In Oldsmobile!

The famous "Rocket" engine, now raised to 165 h.p., with a compression ratio of 8 to 1 and a new 12-volt electrical system. The new, stronger Power-Ride chassis, an unusually rigid frame, scientifically balanced and stabilized. Oldsmobile Power Steering, matched in beauty only by Oldsmobile's Glamorous New Interiors.

And There's Extra Enjoyment In These Oldsmobile Options (available at extra cost). Dual Range Hydra-Matic Drive gives "No-Shift, No Clutch" driving at its best. Pedal-Ease Power Brakes give faster, smoother stops than ever before possible. Oldsmobile Power Steering takes as much as 80% of the effort out of steering. Automatic Eye turns bright lights down for approaching traffic, then turns back up when traffic has passed. Frigidate Car Conditioner brings you air-conditioned driving comfort in all weather.

Notes From D.A.

By Hugh McPhail

The 1952-53 crop year, which started August 1, 1952 and ended July 31, 1953, has just terminated. It has been one of the most remarkable years in the whole history of prairie agriculture. A number of records have been broken.

First we had the exceedingly large 1952 yield per acre and total production of wheat. There were records made here.

Next came the astonishingly large deliveries by prairie farmers from their farms to country elevators, consisting of 811.4 million bushels of all grains, including 522 million bushels of wheat alone.

Following this came the large shipments of Canadian grains overseas and to the U.S. — 578 million bushels of all grains, including 381 million bushels of wheat and flour alone, which enabled Canada to regain her old-time title of the world's greatest exporter of wheat and flour.

All this speaks well for the efficient manner in which this record 1952 crop, the result of the unexpected bounty of nature, has been handled by farmers, by country elevators, by railroads, by terminal elevators, by lake and ocean shipping vessels, by the Board of Grain Commissioners, by the Wheat Board and by grain merchants selling to the markets of the world; and illustrates also how the initiative, ingenuity and enterprise of Canadians can rise to the occasion when needs be.

TOUGHER TO COLLECT

Collecting bills from Canadians is getting a little tougher, reports The Financial Post.

So far nobody's too alarmed. Business, generally, is high. And there's still room for expansion of credit. But some fields are feeling the pinch. There's more demand for collection agencies services. More manufacturers have been asking banks for credit extension in many cases because they had to grant credit extension to their retail customers. The retailers in turn have had to ask for extension on their drafts because their customers were slow paying accounts.

THE BEAN'S THE THING

Coffee prices could still move up. Post damage in Brazil, which provides some 50 per cent of the world's export coffee, is the main factor in strong market tone.

Announce Winners In Vegetable Show

Following is a list of winners in the vegetable and flower show held in conjunction with the Lions Club Jamboree last Wednesday. Winners are asked to call at Reiber Bros. office to pick up their prizes.

Collection mixed vegetables: 1. Mrs. A. Gebers; 2. Mildred Neufeld; 3. Mildred Neufeld; 4. Mildred Neufeld.

Potatoes: 1. Mildred Neufeld; 2. Mrs. John Wesley.

Cabbage: 1. Mrs. F. Bryant; Cauliflower: 1. Mildred Neufeld; 2. Mrs. L. Morgan.

Carrots: 1. Mrs. H. Larson; 2. Mrs. John Wesley.

Turnips: 1. Mildred Neufeld; 2. Mrs. L. Morgan; 3. Mrs. H. E. Klinck.

Beets: 1. Mrs. L. Morgan; 2. Mildred Neufeld; 3. Mrs. Lynch-Stanton.

Sweet peas: 1. Mrs. John Wesley; 2. Mrs. Dan Rinehardt; 3. Mrs. H. E. Klinck.

Snagdragons: 1. Mrs. A. Gebers; 2. Mildred Neufeld; 3. Mrs. Lynch-Stanton.

Maize bouquet: 1. Mrs. Dan Rinehardt; 2. Mildred Neufeld; 3. Mildred Neufeld; 4. Mrs. A. Gebers.

House plant: 1. Mildred Neufeld; 2. Mrs. H. Larson.

House plant in bloom: 1. Mrs. A. Gebers; 2. Mildred Neufeld; 3. Mrs. H. Larson.

Gladioli: 1. Mrs. Dan Rinehardt; 2. Mrs. H. E. Klinck.

Dahlia: 1. Mrs. N. A. Dyck; 2. Mrs. Dan Rinehardt.

Bundle of wheat: 1. Mrs. H. Larson.

Bundle oats: 1. Mrs. H. Larson.

Bundle barley: 1. Mildred Neufeld; 2. Mrs. L. Morgan.

OUT-PATIENTS' CLINIC CLOSED AT JR. RED CROSS HOSPITAL

Alberta Red Cross Crippled Children's hospital officials have announced that starting immediately, the out-patients' clinic, held each Friday morning, will be closed to all patients except those with polio-myelitis or poliomyelitis suspects coming in at the recommendation of the family physician.

The same procedure was followed last year at the Red Cross hospital during the polio epidemic.

Usually, children with all types of orthopedic disabilities or suspected disabilities, from all over the province, are examined free of charge by the staff physicians and surgeons during the clinics. However, in view of the current polio situation, the medical staff believe it advisable to deal only with polio cases for the time being.

At present there are 66 of this year's polios receiving treatment at the hospital. During 1952, 149 polios were treated there as in-patients.

PICKETS SHOULD BE LICENCED

The lawlessness and violence we have read of in connection with some recent strikes is the logical development of the laxity of law enforcement in the past.

For years striking unions have been allowed to take the law into their own hands and to work their will on those who cross their paths or refuse to join them.

This practice has been condoned by government conciliators agreeing that there would be no prosecution for lawlessness of the strikers would lay down their weapons and negotiate peacefully with their employers.

If we are to have picketing it should be defined and regulated. Pickets should be required to carry licenses and only enough of them should be licensed to do the legitimate work of picketing.

It is time our law-makers were waking up to the fact that the rights of citizens are the responsibility of the constituted authorities.

Small Delivery Quotas....

The Wheat Board has announced the initial delivery quota will be 3 bushels per "specified acreage." That acreage is established by adding each individual producer's seeded acreage of wheat, oats, barley and rye to his 1953 summer fallow acreage. Since durum wheat and flax are not subject to delivery controls, acreages of those grains will not be included in "specified acreage."

Producers will have the option of delivering wheat, oats, barley or rye as delivery quotas are established or any combination of those grains up to the maximum bushelage permitted by the Wheat Board's specified acreage.

A special provision has been made for a minimum initial delivery quota of 500 bushels. Subsequent deliveries beyond the initial quota will have to be calculated on the basis of each producer's specified acreage. No grains handled by the Wheat Board can be delivered without a

BIG LEAGUE STUFF

A visiting Albertan was telling his Ontario host about the big fish he caught in his home province. "As a matter of fact," said the Albertan, "I caught one that was 8 inches."

The Ontario friend told the Albertan that a fish that size was small in his province.

"Mebbe so," said the Albertan, "but out there we measure them between the eyes."

Alberta chalked up some of the worst traffic accidents in its history on a recent weekend. Six deaths in one crash at Lloydminster. Blinded by dust, neither party was safe. Practically an entire family wiped out on the instant. If you are taking a motor trip, use extra precautions... the life you save may be your own.

producer's permit book. Elevator agents must send farmers' applications to the Wheat Board so that his specified acreage can be inserted therein. This takes time, so farmers should apply immediately for their permit books.

PEN NOW MIGHTIER THAN THE VOTE

While the election campaign was on, the vote of each elector was an important thing to each candidate.

Now that the election is over, a personal letter telling the elected member what the voter thinks ought to be done or not to be done about a specific public problem, will influence political policy far more than any vote the elector has cast. Experienced politicians pay little attention to petitions presented by pressure groups. They know that thousands of people will sign almost any petition that is presented to them.

Trick petitions have been circulated over many years by people interested in proving that most people will sign a petition to please the person who presents it or to get rid of him or her. Thousands of names have been secured to petitions requesting that the person to whom the petition was addressed should order the benediction of all petitioners. Names can be secured to support almost any nonsense that petition promoters present.

A personal letter from one constituent carries far more weight with a member of parliament than a hundred names on a petition. Letters to politicians and editors shape parliamentary policies.

QUESTIONS AND ANSWERS

Cancer

QUESTION: Is it true that cancer eats the inside of the body?

ANSWER: Cancer does not "eat" the tissues. It causes death of surrounding tissues by interfering with their function and by robbing them of their food and blood supply.

THE COMMUNITY PAGE

In presenting this page we wish to commend to readers the fact that the advertisers deserve their support, goodwill and trade. A newspaper is a community affair. It has its individual opinions, for it cannot afford to be a jellyfish if it is to serve a useful purpose. But it does strive to give every phase of public opinion and fair news reports.

Our advertisers help to make this possible, as well as keeping alive local interest in community activities. Buy from those who advertise on this page in The Pioneer. It will save you money and help you build up your own community.

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

Hello! We have missed meeting each of readers for some weeks this summer, but from now on we intend to give to you some items of interest concerning Mountain View Bible College — the college that is in Didsbury.

Mrs. Habermehl is very busy in her kitchen work. The new cupboard placed there this summer are worthy of your inspection. We hope to put new linoleum on the remainder of the kitchen also, so that this good cook of ours will find her many duties and heavy work less strenuous.

Arthur Eby, maintenance superintendent, has more work than one man can readily do. Sam Eby, his father, has again been giving much assistance in planning and remodeling the apartment in the men's dormitory for the director of music, who will arrive on the grounds by September 12. The apartment has been extended, having as an addition a fully-equipped bathroom. The bedroom has been enlarged and the living room made wider by means of an arch in the hallway. This apartment will be a permanent adjustment in the living quarters for faculty members.

Rev. D. M. Taylor, his wife and family, and Miss Buchholder and Stauffer are at present in Edmonton serving the church there. They will return next Monday and resume their duties on the campus. It has been a strenuous summer for the president. He has not only held a number of revival meetings on the fields of the conference, but was the evangelist at the Oul Lake camp as well, and also Young People's evangelist at the summer camp in July. He has made many contacts for the college and established public relations that will last. It will be nice to have him and his family back with us again, however.

Miss Lois Suder, daughter of Mrs. Lydia Suder of this faculty, left on Monday evening for Kentucky, where she will enter a high school established for Christian young people. This school is the mountain, and nearly 200 young persons receive instruction there each year.

We are wondering if people who have previously helped with our egg supply are intending to bring some in now. We do need many eggs for the winter, and will appreciate any contribution that can be made in this way for the coming months.

Mountain View Bible College is not receiving high school students this year. We regret that it will be impossible and trust that the young people who have been here previously will find suitable places to board for the winter months.

The student body prospect is good. We are hoping that all the rooms will be filled this winter with Bible College students. College will not open until October 12 this year.

ZELLA NEWS NOTES

(From Our Own Correspondent)

Congratulations to Mr. and Mrs. Robert Ross on the birth of their daughter Kathleen, a sister for Dick.

Miss Marian Luft, of Moose Jaw, is holidaying for two weeks at the home of her parents, Mr. and Mrs. Henry Luft. Marian was a bridesmaid at the Luft-Swalm wedding.

The congratulations of the district go out to the newlyweds, Mr. and Mrs. E. Swalm (Joyce Luft).

Mr. Stan Jansen of Didsbury, who has been under the weather, spent four days recuperating at the home of her parents, Mr. and Mrs. C. Gibbs.

Visitors at the home of Mr. and Mrs. Dick Nelson on Wednesday were Mrs. Matheson of Didsbury and Mr. and Mrs. Johnny Fraser of Armstrong, B.C.

Doris White holidayed with her cousin, Judy Johnston, the past week.

Harmattan News

(From Our Own Correspondent)

Mr. and Mrs. Bennett Brauer entertained their friends at a very enjoyable weiner roast Monday last. Mr. and Mrs. Richard Knights and Margaret Ann, of Devon, Miss Fay and David Zabok, of Calgary, were weekend visitors of Mr. and Mrs. M. Knights.

Mr. and Mrs. Bob Ross and Mr. and Mrs. Jack Stanley are receiving congratulations on the birth of their daughters.

Mrs. Jane Smith of Black Diamond is visiting her daughter, Mrs. Mike Knights.

The ladies of the Nazarene church entertained at a shower for Miss Ruth Street. Several skits were presented which caused much merriment. The presents were given to the bride by little Marion Stier and Larry Stokburger, dressed as bride and groom.

TO HOLD FALL FEMALE CATTLE SALE

A fall female sale of the three breed females will be held at the Central Alberta Pavilion, Lacombe, Nov. 6. It was decided at a recent meeting of the Central Alberta Cattle Breeders' Association. The sale is two days following the Red Deer Hereford sale.

Many breeders have been agitating for such a fall sale for the past two or three years and now that facilities have been improved at the Lacombe fair grounds, directors feel that it can be successfully handled this year.

There will always be a demand for good breeding stock. W. M. Campbell, new secretary-treasurer of the cattle breeders' association, stated this week. He pointed to the recent sale at Lashburn, Sask., earlier this month, when cattle sold averaged well over \$500, with a top price of \$1350.

In preparation for the sale at Lacombe, association directors will set up facilities to look after loose cattle as it is realized that many of the top females are out in pasture and have not been halter-broken.

Entry forms are now being mailed out and all entries to this fall sale must be returned by September 28. From enthusiasm already shown by breeders, it is expected there will be a large entry. Arrangements have been made to reserve the sales pavilion for another day in case the number of entries necessitates the holding of a two-day sale.

O.S.A. NOTES

Thirty members of the Associated County Women of the World will visit the Olds School of Agriculture and Home Economics on September 2. They will also tour the school and examine while en route to various other points in the southern part of the province. Among the group will be Mrs. Wool, M.L.A. of Stony Plain. The principal and staff of the school will receive the guests.

Bergen Notes

Miss Emma Landis, returned missionary from India, spoke at the United Missionary church here on Wednesday evening.

Miss Irene Hazuka of Coleman is visiting with Mr. and Mrs. Freddie Metzner.

Mr. and Mrs. Mel Eskrick of Dundre have announced the engagement of their eldest daughter, Marian, to Mr. Grant Thompson of Montreal. The marriage will take place in the Sundre United Church on October 10.

Mr. and Mrs. Jimmy Haug are the proud parents of a baby daughter, Patricia Eileen, a sister for Terry. Mrs. Ira Gamble, Mr. and Mrs. Bob Payne and Charles, and Miss Faith Stevens, were Bergen visitors on Sunday.

Little Items of Local Interest

Born to Mr. and Mrs. Jack Tymchuk (Rose Benson), of Port Alberni, B.C., on August 14, a daughter, Wilma Rose Ann.

Dr. E. Topf of Rosland, B.C., a former school principal here who taught many of the town's older residents, passed away last Friday.

Mr. and Mrs. William Bellamy of Penticton, B.C., visited friends in the town and district last week.

Mrs. G. H. Burke returned home Sunday following a trip through Montana with her daughter and son-in-law, Mr. and Mrs. J. Gilbertson.

Mrs. Cutler wishes to announce she will resume her music class on September 3. Tuition in piano, voice, violin and Hawaiian guitar. For particulars phone 38, Didsbury.

Mr. and Mrs. A. Beckwith of Toronto and Mr. and Mrs. B. Hay and Shirley of Carbon, were Sunday visitors with Mr. and Mrs. R. Campbell.

Mrs. T. M. Hamblin and son Tommy, of Lethbridge, visited with her sister, Mrs. R. Campbell, last week. Maxine Campbell returned to Lethbridge for a short visit.

Mrs. Ed Wiggins left Thursday to visit with her sister, Mrs. L. Ferguson at Vernon, B.C., for a week.

Mrs. Reginald Newcomb and daughters Carol and Sharon, arrived Wednesday for a short visit with her parents, Mr. and Mrs. George Duppe and Harold.

Miss Emilie Dupont is continuing her pianoforte and theory class. Those wishing to take lessons from her, please phone 415.

Miss Jean Rennie who is spending her vacation here, will return to Edmonton where she has accepted a position on the dietetic staff of the University hospital. While here she was an attendant at the Bell-Hansen wedding in Calgary.

Mrs. S. H. Price returned Wednesday after visiting her parents at Penticton, B.C.

Mr. and Mrs. I. E. Schmidt and family of Vernon, B.C., who have spent the past week with the former's parents, Mr. and Mrs. Shaw, left for their home last weekend.

LAC Bob Janesek of Penhold, Mr. Bob Walker of Calgary and Miss Ellen Currie of Trenton, Ont., spent last weekend with Mr. and Mrs. S. Wright at Elkton.

Mr. and Mrs. F. W. Dickau and sons of Ponoka, and Mr. and Mrs. H. B. Ulrich of Calgary, were Sunday visitors at the M. Shaw home.

Ron Gordon had one finger almost amputated a few days ago while jacking up a large truck loaded with a bulldozer and a "cat". The block collapsed, letting the whole load fall, pinching Ron's finger. The accident occurred near Wetaskiwin.

Sunday visitors with Mrs. Boles were Mrs. Arthur Jackson and her son George of Westerdale.

Mr. Oscar Asbour had as her guest last weekend, her sister who stopped off en route from Edmonton to East Canada.

Mr. and Mrs. George Scott, Mr. and Mrs. Jim Wright and family, Mr. Percy Richardson, all of Calgary, and LAC Bob Janesek of Penhold, were weekend visitors at the home of Mr. and Mrs. S. Wright of Elkton.

Mr. Norman Woolner and Mrs. E. Eby of Cayuga, Ont., left for home on Saturday after spending a few days with Mrs. Florence Pross.

James Richard Thompson, seven-month old son of Dr. and Mrs. G. L. Thompson of East Coulee, died in Drumheller Municipal Hospital Monday. Funeral service was held from Knox United Church, Didsbury, with Rev. Kirk of Carstairs officiating, on Thursday, Aug. 20. Mrs. Charlotte A. Thompson of Didsbury is a grandmother of the deceased.

Mr. and Mrs. Dave Wright of Shaunavon, Sask., spent several days with the latter's parents, Mr. and Mrs. S. Wright of Elkton.

Rev. M. MacKay of Aberdeen, Scotland, arrived Friday for a short visit with Dr. and Mrs. R. McKenzie and will accompany them on a week's vacation to points of interest in Alberta.
